

Supplement 5 to the I-16

Emergency ITGBL Iceland Rates

Effective 14 Apr 06 – 30 Sep 06, all Iceland generated outbound GBL's were tendered under the provision of Item 105, Emergency Services of this solicitation. As such the following statement is applicable to each aforementioned GBL:

“Charges are in accordance with adjustments or negotiations for services authorized by the Surface Deployment and Distribution Command (SDDC) Memorandum of Agreement (MOA) dated 14 Apr 06, subject: MOA between SDDC, Deputy Chief of Staff of Passenger and Personal Property and Transportation Service Providers for Delivery of Personal Property from Iceland to Points Designated on Members Orders under Emergency Services, Item Number: 105, Publication Number: I-16.”

Identify charge(s) with billing code “442A” when billing via CWA and ensure that all miscellaneous charges billed have a identifying reference note within the system.
